

Club Volleyball Policies

Refund Policy

Tryout Fees

Due in full prior to the first tryout occurring. No refunds will be given.

Season Fees

All season fees will be broken down. Season fees include athletes warm up and jersey(s).

Optional clothing, travel fees and MVA fees are in addition to the season fees.

Season fees, optional clothing and travel fees will be due on set dates. If additional time is required for payment, a payment schedule can be set up.

If an athlete cannot continue with Royals Club Volleyball refunds will not be given. In exceptional circumstances, a written request can be made for a refund but is at the discretion of the club directors.

Club Volleyball Information

Complaint Resolution Policy

Inquiries about team selection during the tryout and offer period are not permitted.

Once the season begins, athletes are encouraged to discuss any issues or concerns with the coaching staff first. If the issue continues or the athlete cannot talk to their coach, a parent can help initiate the conversation and be present. This meeting needs to be prearranged.

If the issue cannot be resolved, the club director will meet with all parties involved to come to a resolution.

If there is a conflict of interest with the club director, a head coach from another team will consult on the issue. Playing time will not be discussed.

Player Conduct

This area is very important to our club.

As a member of this club your attitude, behaviour and actions – ON AND OFF THE COURT – are under constant observation by a variety of people.

Any disruptive influence by even one athlete often paints us all with the same brush. Subsequently you must conduct yourself in a mature and responsible manner at all times.

We expect our athletes to also be good students, attending class, working hard and displaying a positive attitude.

We are known as a class organization and are well respected. It is a tradition we want to continue.
